where travel meets learning

A JOINT VENTURE BY TEAM ADVENTURE SINGH AND SCULPT EYE

skool diaries ???

Helen Keller rightly stated that "Life is either a daring adventure or nothing. Adventure pool is not a host to which only the elderly are the guests.

why not you???

Keeping it open to the skoolers adrenaline and psychological arousal here's SKOOL DIARIES a joint venture by ADVENTURE SINGH & SCULPTEYE

At Skool Diaries our passion is providing unforgettable travel adventures across the globe for children aged from 9–17. Some roads aren't meant to be travelled alone! So we offer a range of exciting trips and offer camps across locations in India during summer and winter vacations in the most serene adventure hideouts as well as abroad. Based on the EA model its not only adventure with us its a combination of Education in Adventure.

Bringing out the urge of adventure and converting it to a memorable experience out of every skooler is the main ethos of Skool Diaires. Big or Small we do it all.

the ea approach

- Jacob Bronowski quotes:- Knowledge is an unending adventure at the edge of uncertainty.
- Education in Adventure approach of Skool Diaries not only provides a platform for various numerous adventurous outbreaks but each skooler is first equipped with the knowledge and instruction of every activity and challenge to be performed as per the itinerary.
- We encourage to go out into the world, the outdoors, where one can enjoy and contribute to the best of ability.
- We believe that one values the world they live in if they can experience it first-hand.

emphasis on strong instructions and debriefing

- Right instruction is like winning half the battle.
- Special emphasis is laid on crafting the instructions by using the right words, right tone and right demonstration.
- Through skilful facilitation by our instructors each adventure activity turns into a powerful learning and development opportunity.
- Skool Diaries programs impacts on individual's self esteem, achievement and behaviour and raises their expectation and aspirations through innovation teaching and learning.

safe and responsible travel

- Respect and genuine love for anything adventurous is the common thread binding us.
- Apart from adventures we realise the dangers of high impact tourism on our ecology and try to run our trips in the most eco friendly manner.
- Our staff makes it the red letter slogan to keep the entire trip run through fully safe and responsible measures.
- We understand the responsibility that each member of our team has to shoulder and we do that with integrity of purpose and action.
- Every student is covered by a medical insurance with in house Doctor 24/7 during the stay.

extensive infrastructure and equipment

- Our team is ably backed by our infrastructure to ensure great delivery.
- We have a big fleet of rafts, support vehicles, best quality camping & climbing equipment to help children throughout.
- We also provide proper accommodations and other ancillaries which make a strikethrough to every comfort and support.

super pricing

- Due to a big in-house team of instructors and our own high quality equipment we are able to sell our trips at very attractive prices.
- Apart from having a very competitive price matrix our pricing is in INR and does not change for anyone except where it involves charges by the government.
- Skool Diaries has a policy of transparency with regards to its pricing and prices are clearly mentioned with inclusions/exclusions.
- There are no hidden costs

fruitful memories for money

- We believe in making the best impression in the mind of every client of ours.
- Just planning and implementing a trip is not our ideology
- We are the best at providing cherish able good adventurous memories in return for the money which would surely travel a long way down the road of thoughts.
